Treasurer report

We have a surplus of funds this year due to all the fundraising efforts. In addition to paying for new Varsity uniforms this year, other options for the money included: private bus transportation, banquet subsidies, snacks/beverages for bus rides, scholarships, and coaches' gifts.

Senior Night

The date for Senior Night has been changed to May 3. This is the last game at our home field. Heidi is helping with the programs. The program will have sponsor information, photographs and information on and from the seniors. Flowers will be distributed to each mom. Pictures will be taken to be used as a senior gift.

Banquet

The banquet will be held Monday, May 13, 2019 at 6:00 pm at Baldoria. The menu will be Italian Cuisine. We will need a projector for the slide show. Photographs from all events from anyone should be given to Jason. The cost will be \$25/person. Four shafts will be needed for the awards. Danika will get them engraved at the same place she used last year.

Exit Interviews

Will be scheduled for the first practice time after the last game. Uniforms will be turned in at that time.

Transportation

Discussion ensued regarding transportation. The district buses have been a huge problem this year. It was decided to use some of our team's funds to rent private buses for some of the remaining games.

Sunrise Scrimmage

The Sunrise Scrimmage was a success. Swimming at Carmody was a blast and should be considered again next year. The sandwiches were a better option than pizza used in previous years. The breakfast burritos were a big hit. More snacks throughout the day and at the pool would be helpful next year.

Miscellaneous

Information on the summer league will come out after the season is over.
