League Apps

Danika has updated all the information for this year and it will go live later tonight.

Off League Registrations

Due today. We have enough participants at this time for 2 teams. Fall sports are not done yet, so some players could be pulled in for games as necessary.

The boys lacrosse team will be attending the girls gymnastics meet this coming Thursday as part of the Rams Supporting Rams program.

Annual Team/Parent Meeting

Scheduled for Tuesday, October 29, 2019. Pizza will be provided for the players. Parents will meet in the RAM Room and players will meet in a classroom close by. Parents will be invited to fill a few new board positions as "Members at Large."

Fundraising

Not as much fundraising will be necessary this year as the new uniforms were purchased last year, but we still have ongoing needs that need to be met every year. QDoba, Mammoth Game, and the Pancake Dinner are planned for this year.
